

OneVue Sync Bluetooth®

OneVue Platform

- OneVue Sync clocks 'wake up' once daily
- Clocks synchronize time via OneVue Sync Bridge
- Clocks form network based on strongest signal to another clock or the OneVue Sync Bridge
- If one clock fails, other clocks will 'find their way home' to the strongest signal
- OneVue Sync Bridge reports clock status to OneVue
- OneVue accessible via PC or mobile devices
- Two-year warranty on OneVue Sync Traditional Series analog clocks (Exception: 1-year warranty on Education Series)

For any customer who requires time synchronization, the Bluetooth® wireless technology solution is an uncomplicated, easy to install, product that continually and automatically recreates its own network. Competitively priced, OneVue Sync clocks with Bluetooth Wireless Technology are available solely through Primex, the sync time leader, and our certified partner network. Available in a variety of colors, sizes and dial options including custom dials to showcase your facility name or logo.

Easy-to-read dials and durable thermoplastic frames and lenses make our Traditional Series Analog Clocks ideal for almost any setting. Available in a variety of colors, sizes and dial options including custom dials to showcase your facility name or logo.

Create an easy-to-read dual-sided clock for hallways or other large areas with our Dual Clock Kit. The kit includes a bracket, mounting plate and hardware to easily assemble and install two 12.5" (31.75cm) Traditional Series Clocks back to back.

12.5" or 16"
Traditional Series

Easy-to-assemble bracket kit lets you create a dual-sided clock for hallways or other large areas.
